

**CITY OF ST. JOHNS**  
**USED TIRE COLLECTION**  
**MAY 11, 2009**

The City of St. Johns will be collecting used, car and light truck tires from City residents on Monday, May 11, 2009. Residents must have the used tires placed at the curb in front of their homes by 7:00 AM on the tire collection day.

Each household is limited to a maximum of 8 tires. Tires must be removed from the rims. This collection is limited to car and light truck tires only; NO large truck and tractor tires will accepted for collection.

Do not put the tires with your normal household Spring Clean-up items, as the contractor will not collect any tires. However, rims will be collected.

Questions may be directed to the Department of Public Works at 224-8944, ext. 229
